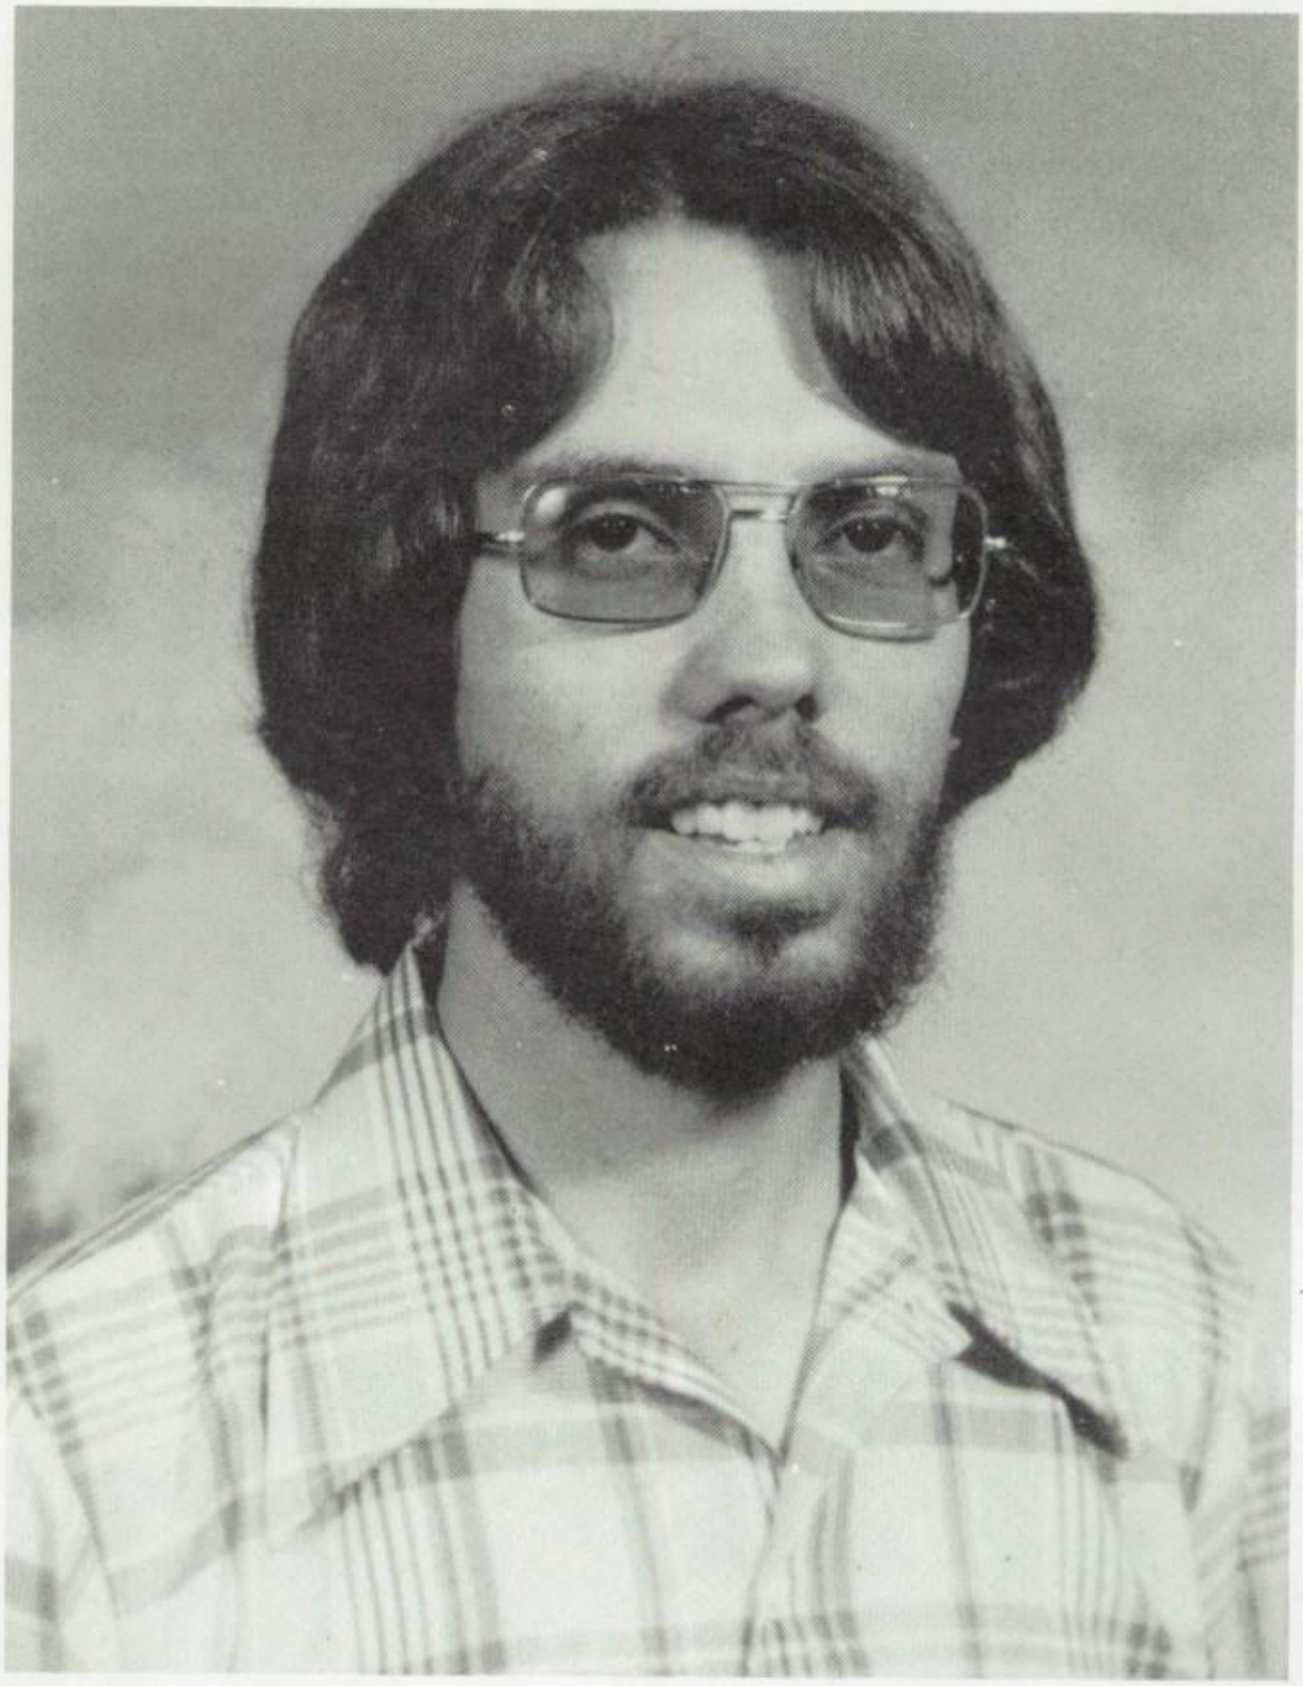
DEDICATION



We, the 1981 Bear Track Staff, would like to dedicate this yearbook to **Mr. Rex McCargar** for his accomplishments during his past four years at Block High School.

In the fall of 1977, the band consisted of approximately twenty-six members. Since then because of the encouragement and leadership of Mr. McCargar the band has grown and expanded to 100 members including auxiliary corps.

Mr. McCargar has not only improved the band, but he has been an example to the student body in his apparent success as a band director.

We would like to express our appreciation to him for being an inspiration to us all and we look forward to the years to come.

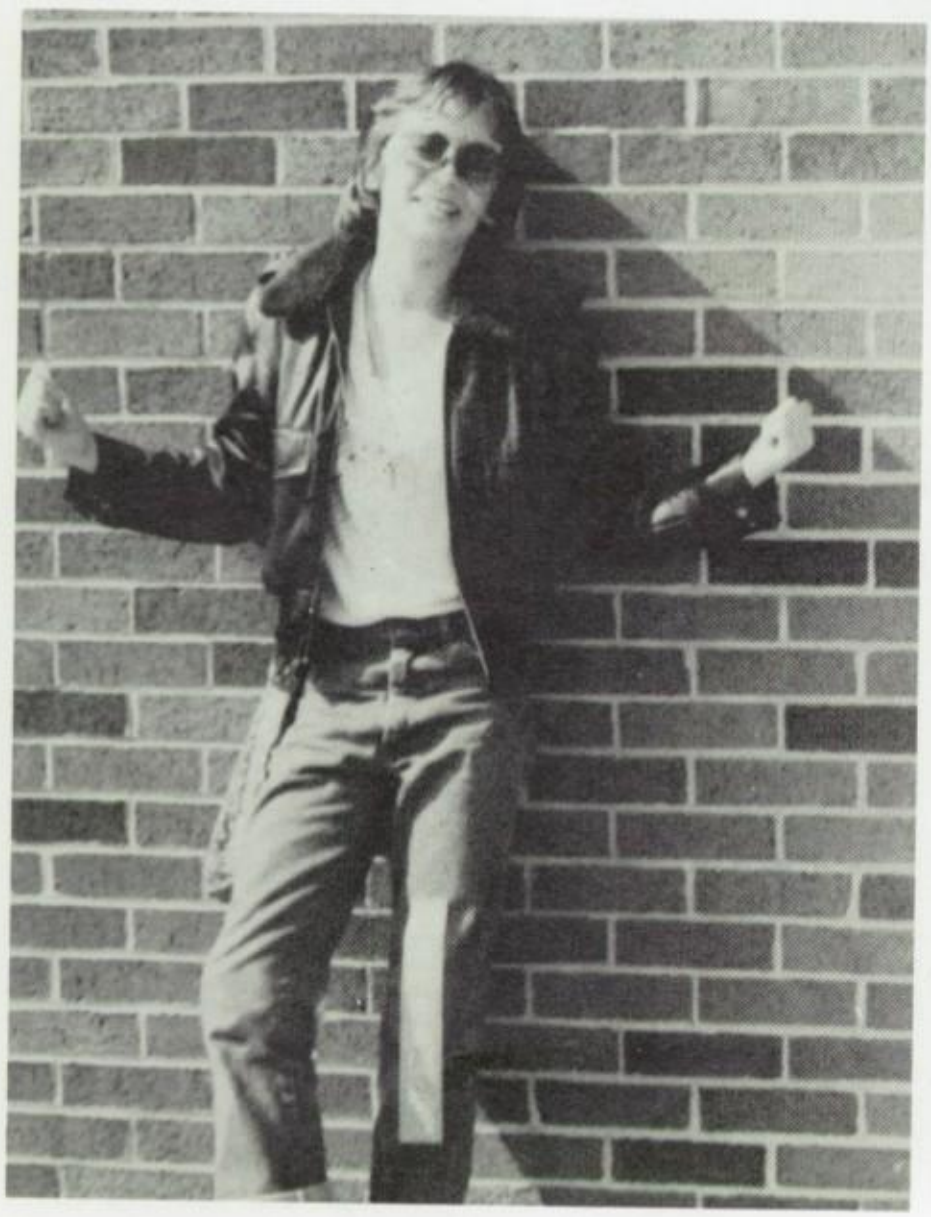
DON'T QUIT

When things go wrong, as they sometines will,
When the road You're trudging seems all up hill,
When the funds are low and the debts are high,
And you want to smile, but you have to sigh,
When care is pressing you down a bit,
Rest, if you must-but don't you quite.

Life is queer with its twists and turns,
As everyone of us sometimes learns,
And many a failure turns about
When he might have won had he stuck it out;
Don't give up, though the pace seems slow
You might succeed with another blow.



Often the goal is nearer than
It seems to a faint and faltering man,
Often the struggler has given up
When he might have captured the victor's cup.
And he learned too late, when the night slipped down,
How close he was to the golden crown.

Most Unforgettable People

1. Fastest Driver . . . . . .
2. Most Talkative . . . . . .
3. Tallest . . . . . .
4. Shortest . . . . . .
5. Most Intelligent . . . . . .

Success is failure turned inside out —
The silver tint of the clouds of doubt —
And you never can tell how close you are,
It may be near when it seems afar;
So stick to the fight when you're hardest hit —
It's when things seem worst that you mustn't quit.

A SMILE

Let others cheer the winning man,
There's one I hold worth while;
'Tis he who does the best he can,
Then loses with a smile.
Beaten he is, but not to stay
Down with the rank and file;
That man will win some other day,
Who loses with a smile.

ACTIVITIES

1980 Homecoming

The 1980 Homecoming was held October 3, 1980. The Homecoming parade was a great success. The members of the court rode in Corvettes and Trans Ams. Immediately following the parade a tea was held in honor of the court.

There were alot of long hours spent in the preparation of the parade and Homecoming pre-game show. The parade was led by the Block High School Band, followed by many wonderful floats and the members of the court. The graduation class of 1970 also participated in the festivities.

To top the day off the Homecoming Court was presented during the pre-game show activities. The court walked down the fifty yard line while members from the Block Band played, "If," "Have You Ever Been Mellow." and "Evergreen." The Block Bears defeated the Ferriday Trojans 38 to 0 to make the Homecoming complete.

ORGANIZATIONS

Block High School Band "80-81"

The Block High School Band had a very exciting year. Under the direction of Mr. Rex McCargar the band traveled and performed in various towns at various activities.

The band performed at all of the home games and most of the away games. The music at the pep rallies was provided by the band also.

In addition to pep rallies and football games, the band marched in five parades. They were the Louisiana Soybean Festival Parade, the Homecoming Parade, the Colfax Pecan Festival Parade where they placed third, the Natchitoches Christmas Parade and the Jonesville Christmas Parade where they placed first.

The band attended two marching festivals where bands were rated on their performances. The B.H.S. Band received a rating of 2 in Winnsboro, La. on a rating system from one to five, with one being the best. The band attended the Cotton Festival held at Wossman in Monroe, but went for comments only.

Two concerts were given by the band this year in addition to its many other activities. The first concert was the "Sounds of the Gridiron" concert. The other was the annual spring concert.

A barbeque was held at the end of the year for the band members and the auxiliary.

It was a great year and the band is really looking forward to next year just as much.

Dear Loretta,

Youre my very best friend and have been for about six years. I hope we stay that way forever. You are so nice and sweet. I know U you'll have sucess in everything you do. I wish the very best for you and always will. Don't forget me when you go off to College or wherever. I'll probably be sitting at home cooking, cleaning, & after about five yeas, I'll probably be changing diapers and wishing you were with me. You'll always be my best friend. P.S. Don't forget youre gonna be my maid of Honor next year (probably July 25th 30)
